WellStead Mental Health Opens New Psychiatry Office in Orlando, Expanding Access to Comprehensive Mental Health Services

Orlando, FL – August 25, 2025 - WellStead Mental Health a leading North Florida provider of psychiatric and therapeutic services founded in Tallahassee, proudly announces the grand opening of its new Orlando office at 5850 TG Lee Blvd Suite 490, Orlando, FL 32822. The clinic opened its doors on Monday, August 18, 2025, bringing compassionate, evidence-based mental health care to patients in Central Florida.

Since its founding in Tallahassee, WellStead Mental Health has grown into a multidisciplinary team of more than 40 providers, with two established locations in Tallahassee and a robust psychiatry residency clinic operated in partnership with HCA Healthcare and the University of Central Florida (UCF), dedicated to training future mental health professionals. The launch of the Orlando location marks an important milestone in extending the organization’s mission of improving community well-being throughout Florida.

The Orlando clinic will offer a full spectrum of mental health services, delivered by a team of experienced psychiatrists and enthusiastic psychiatry residents—all committed to providing personalized, compassionate, and evidence-based care to the Central Florida community.

WellStead Mental Health is pleased to offer a comprehensive range of services at the new location, including:

- Psychiatric evaluation and treatment
- Psychological assessment and testing
- Individual, couples, and family therapy
- TMS (Transcranial Magnetic Stimulation) for depression and other conditions

“Our goal is to create a welcoming and supportive environment for every patient,” said Dr. Boilini, psychiatrist at WellStead Mental Health Orlando. “We look forward to serving the Orlando community with the same high standards of care and clinical education that define our practice.”

Dr. Ferraro, company Co-founder and Chief Medical Officer, added: “This new clinic represents an important step toward improving access to high-quality mental health care and expanding the training opportunities for the next generation of psychiatry professionals. We are excited to bring our expertise and commitment to both patient care and provider development in the Orlando area.”

The new Orlando office, conveniently located near major transit routes and local businesses, is designed to provide a welcoming and healing space for patients. The facility is now accepting new patients from the local community and surrounding areas.
